- Role: Sole developer
- Tools: Handlebars, JavaScript, CSS, Bcrypt, Sequelize, Dotenv, Express, MySQL, Nodemon

EXPERIENCE

Tax Assessor

Township of Manalapan

I maintain the total assessment database for the entire town valued at nearly 9 billion dollars.

Key Accomplishments:

- Perform annual reassessments on the entire town of over 16,000 properties.
- Successfully defend against appeals at the county tax board and state tax court.
- Verify yearly inspection data on 20% of total properties for the 5-year inspection cycle.
- Determine all values on new construction each year.
- Annually inspect and value all qualified farm assessed properties.
- Verify income & expense data for all commercial properties for valuation.
- Perform all redaction requests for qualified persons.
- Implement all property tax deductions and exemptions.
- Provide all information requested from OPRA requests.
- Interact with and provide quality customer service to everyone who contacts my office.

Office Manager & Assistant

CT Peters Appraisers

Wrote appraisal reports for clients. Purchased office supplies. Created and modified report templates.

Key Accomplishments:

- Updated technology used in the office.
- Transcribed daily memo tapes from owner to text.
- Converted subscription database management to Excel.

2017-Present
Manalapan, NJ

2015-2017
Red Bank, NJ
